## Mission

The mission of Bethel Hill Charter School is to lay the foundation for individual excellence.

## Vision

The vision of Bethel Hill Charter School is to work in partnership with staff, families and community to promote high standards for academics and character. This is accomplished in a safe, positive, multicultural environment.

## Core Values

- Daily parental academic support is a priority for student success.
- Character, respect and a strong work ethic are critical to student success.
- Students learn best in a low teacher-student ratio.
- A balanced literacy approach is essential to student learning in all content areas.
- Broad and deep background knowledge, supported by the Core Knowledge curriculum, is significant to student success.
- Innovative strategies are essential in meeting the learning needs of individual students.

## History

Education has always been embedded in the Bethel Hill Community ever since the establishment of Bethel Hill Academy before the Civil War. The Reverend John A. Beam founded Bethel Hill Institute in 1888. In 1920, Bethel Hill High School was constructed at our current location and the main building is still in use today. Bethel Hill Charter School opened its doors in 2000.

## Highlights

- 53 acre campus valued at over 5 million dollars.
- All buildings have been renovated and a new building was completed June 2014. All renovation and construction have been completed with no local or state capital funding. There has been no cost to local tax payers.
